Park Benches Donated

BY MATTAPOISETT WOMAN'S CLUB
Story and photos by Virginia Morgan

Mattapoisett Woman's Club president Eletha Yeaton officially presented the six benches at Shipyard Park to Selectmen Chairman John N. DeCosta as the club's 50th anniversary gift to the town of Mattapoisett, on Monday, September 30th.

The benches were set in place by the highway department on August 12th just a week before they suffered minor damage in the hurricane of August 19th, and the official dedication was postponed until September 30th.

Seated: Norma Holt, Evelyn Jenks, Eletha Yeaton, Jean Boyden; standing, Zeta Caine, Dolly Rochette, Selectman John DeCosta, Jacqueline Hossfield.

Mrs. Yeaton conveyed the club's gratitude to Chairman of the Board of Selectmen John DeCosta and Highway Surveyor Wesley Bowman for assembling and installing the six benches. She noted the club members voted on the benches as a gift to the town on its 50th Anniversary after considering several other suggestions.

ing the hurricane, she noted, in complimenting the highway department crew for their fine work. One of the benches broke when the Wanderer flagpole fell on it; another slat broke when one of the several boats that washed ashore hit the bench.

Mr. DeCosta thanked the Woman's Club for the donation of the six benches in Shipyard Park. "They will be a great asset to the town and add to the enjoyment and comfort of those watching the square dancing, listening to the band concerts, and to just sit and observe the beauty of Mattapoisett harbor. This was a nice thing to do for the club's 50th anniversary. Your club does so much for the town; such as the Christmas decorations, tending flower boxes at the town hall and post office. It's people like you who make Mattapoisett special."

Joining in the official gift observance were Jean Boyden, club vice-president; Jacqueline Hossfield, publicity chairman; Evelyn Jenks, past president and now on the board of directors; Norma Holt and Madeleine Furnans, both past presidents; Zeta Caine, corresponding secretary; and Dolly Rochette, a club member.

FEMA Payments - When?

MATTAPOISETT SELECTMEN'S MEETING
OCTOBER 1, 1991-by VIRGINIA MORGAN

Federal assistance funds (FEMA) to pay for damages caused by hurricane "Bob" will be late, according to U.S. Congressman Gerry E. Studds, "because the federal agency hasn't paid its bills from 1989 and 1990".

Selectmen were informed last Tuesday by Rep. Studds' letter that "the Disaster Relief Fund is so depleted that no Public Assistance has been disbursed anywhere in the country since last April." He wrote, "There is potentially a lengthy delay before disbursements arrive from FEMA." The con-

and his committee to quickly approve FEMA's request for supplemental funds in the amount of $693 million, with at least $50 million set aside for Hurricane Bob related expenses to ensure that affected cities and towns receive reimbursement as soon as possible.

Executive Secretary Carol Adams was thanked for the tremendous work she and secretary Melody Mills have been doing in preparing the paper work for FEMA on the damage expenses for FEMA. Selectmen Chairman John DeCosta said that FEMA representatives have expressed pleasure with the help they have received from the town's employees.

Mrs. Adams reported FEMA agents have been in town since last Monday. She said she and Highway Surveyor Wesley Bowman accompanied the agents in viewing the wharves, Shipyard Park, town beach and Ned's Point Veterans' Park. They also toured with Harbormaster Steven Mach the shoreline and the wharves; they then accompanied Tree Warden Marshall Pryce in viewing tree damage and cleanup, including the trees down in the Mattapoisett River. Mrs. Adams noted a tape was made of the viewing of the Mattapoisett River damage to be seen by selectmen at their convenience.

Mrs. Adams said the agents would return on Friday to receive more damage reports. She said FEMA didn't feel the damage to Long Wharf will make too much of a problem. She said they have ideas on how to repair the wharf, and FEMA will only pay for replacement, the way it was before the damage and not any changes.

On a similar subject, Mrs. Adams reported the state DEP has given its approval for the town to burn leaves at the landfill for two more weeks, until October 15, and not the four weeks extension the Board of Health had requested.

Also, on a similar subject relating to the hurricane aftermath, selectmen met jointly with Building Inspector Andrew J. Bobola, Board of Health members Daniel Lee, John C. Bowman and Chairman Robert Field, Conservation Commission members Daniel Bungert, William Straus, Joseph Souza and Ronald Scott, chairman, to discuss the proper procedural steps homeowners and engineers need to take to rebuild or repair their homes.

Spokespersons for the three boards agreed they were doing their best to accommodate these people, but there seems to be no guidelines from the state DEP on just how to deal with them on a step-by-step basis.

Following a lengthy discussion of various viewpoints, selectmen and board members agreed to prepare a letter to be sent to State Representative John C. Bradford and State Senator Erving Wall to urge the state

DEP to issue guidelines on variances on septic systems in wetlands and high velocity areas. Mr. Bobola noted it has been seven weeks since the hurricane and unfortunately "we still have no definite state sanitary code guidelines. We need guidelines on tight tanks' the inspector noted.

Health Board member Daniel Lee explained the septic system has to have at least four feet separation from the water table to the leaching area, anything under that requires a variance. Health Agent Dale Barrows said, "we have told people not to spend too much money on engineering services until we find out whether they qualify for a septic system approval, or we could take their applications and say to them you take your chances."

"One of the problems", said Mr. Lee, "is that three years down the road if the town loses taxable property we could be in trouble. We have to make the best out of a bad situation, and make it better than it was before the hurricane", Mr. Lee added.

permit fee paid for construction of a handicapped access ramp to its new building on Route 6.

A second letter was received last Tuesday asking the board to reconsider refunding the $60. fee, after selectmen voted on September 14th not to refund the fee.

Selectmen concurred with Building Inspector Bobola's recommendation that the fee not be refunded.

The inspector admitted the terminology of a deck versus a handicapped access ramp seemed to be of concern to Bradford Hathaway, Trustee of the Friends, and that he will design future forms with a separate box to check for work to be done categorizing "deck" and "handicapped access ramp". He noted the category of access ramp would not have changed his decision to charge the inspection fee.

Mr. Bobola explained there are three inspections necessary for a handicapped access ramp: 1) footing - it must be four feet below grade; 2) framing it must be wheelchair height; and 3) all railing and grab rails must be sturdy and the correct height. The inspections cannot be done at one time. "They (referring to Mr. Hathaway and the contractor, Oliver Smith Builders) knew I combined the fee for two inspections done into one charge, for a total charge of $60. versus $25. each inspection which would have totalled $75. The average residential fee exceeds $500; the Friends paid a total of $260, including the ramp fee. Also, I charged them a per foot commercial rate

and complimented the landfill employees for the condition of the landfill area. Over the last 18 months the landfill operation has greatly improved the overall appearance and the daily operation wrote Ronald A. Michalski, assistant chief engineer.

The report noted the town recycling station is well organized and maintained. It is noteworthy to point out that Mattapoisett's recycling operation has a landfill attendant who actually inspects, segregates and separates all recyclables delivered to the landfill. Hurricane Bob caused substantial damage in Mattapoisett. Large volumes of brush and stumps were stockpiled and an active controlled fire was burning brush and wood. The operation observed on September 13 was controlled and orderly. Some additional clearing has taken place for the possible construction of a new landfill operations building just south of the existing building. Construction is on hold because construction bids exceeded available funds, the report concluded.

permittee's shellfish leases in Fairhaven, Mattapoisett and Oak Bluffs for grow-out to legal size.

Chairman DeCosta noted the permit does not authorize the sale of seed quahogs, or other disposition of seed quahogs by the permit holder to other individuals or companies. Not more than 10 million seed quahogs shall be transplanted; planting will be done from September 18, 1991 through December 31, 1991, at which time the permit will expire.

Executive Secretary Adams explained this permit is in addition to Taylor's permit to grow seed scallops and that Shellfish Constable Brian Nunes is content with the addition of seed quahogs.

NOTED a temporary town employee was hired at $10. per hour to assist town mechanic John Bowman because of a backlog of work.

Mrs. Adams said the person worked on replacing the motor in the shellfish constable's truck. The first rebuilt motor did not work properly and had to be redone. The supplier will pay the salary costs.

Lighthouse Hospice

BEREAVEMENT SUPPORT GROUP

A bereavement support group for anyone who has lost a loved one through death is planned to start October 15th, according to Lighthouse Hospice Bereavement Coordinator Jill Cockrell. The 6-week program will meet each Tuesday afternoon from 1:00 to 2:30 at St. Gabriel's Church in Marion.

According to Mrs. Cockrell the group setting is designed to help participants express their grief, learn more about grieving, share common feelings and concerns and explore new coping skills in a supportive environment. The feelings that commonly accompany the death of a loved one -- sadness, anger, grief, guilt, pain -- will be explored and shared.

The course is open to anyone in the local community, whether or not a member of a Hospice family. There is a nominal fee to help defray the cost of materials. Attendance will be limited and pre-registration is necessary. For registration or information call Jill Cockrell in Wareham at 295-8544.

PTC Meeting

The Mattapoisett PTC will hold their next meeting this Wednesday, October 9th, at Center School at 6:30 p.m. During this meeting we will be discussing events for the 1991-1992 school year and proposed changes to the by-laws.

Seahorse to be Repainted!

The landmark Seahorse will be undergoing some much needed changes this month. Having survived the winds of Hurricane Bob, the Seahorse nevertheless could use some refurbishing. Local resident painter Paula Cobb and her partner, Bob Baccelli, have volunteered their services in the repainting of our town landmark. Mahoney Building Supply has donated the materials for the project.

The Seahorse and its property were donated to the Mattapoisett Land Trust by the late Henry Dunseith. Mr. Dunseith built the seahorse himself, no small project considering the size of the figure. He then had the supporting structure built and erected by area craftsmen in the mid-50s. It has become a beacon for summer travelers to Cape Cod. Many thanks to all the community minded people who are assisting us with this project.

ARTIST BIERSTADT TOPIC OF LECTURE

Arthur P. Motta, Jr. will be the guest speaker at a Sippican Historical Society lecture to be held at 7:30 p.m.Tuesday, October 15th, at St. Gabriel's Parish Hall on South Street in Marion. Mr. Motta's subject will be the life and work of artist Albert Bierstadt, a New Bedford landscape artist who contributed greatly to our local cultural heritage.

Bierstadt grew up in New Bedford and became internationally famous for his huge canvases of the American interior at the time of the westward expansion. Bierstadt found his deepest inspiration in nature and spent his life painting it. The lecture is open to the public and admission is free.

Power Squadron Boating Class

Mattapoisett Power Squadron will present the six-week boating course of the United States Power Squadron to the boating public this fall in classes starting shortly.

Anyone interested may register at Old Rochester Regional High School in Mattapoisett from 7:30 to 8:00 p.m. on Tuesday, October 15th. The first of six classes will start at 7:30 p.m. the following Tuesday. A certificate of completion is awarded to all who complete the course and pass the final examination.

The course is open to anyone 12 years of age or older. Boat ownership is not required, and this course qualifies operators under 16 years of age for the Massachusetts safety certificate they need to operate motorboats of more than 25 horsepower. Course

manuals and any needed plotting equipment may be purchased at registration.

The lessons cover topics including boat handling, seamanship, safe boating practices, equipment requirements, nautical rules of the road, marine radiotelephone use, compass and chart familiarization, aids to navigation, weather, sailing, and engine troubleshooting. The course features "hands-on" chart and plotting practice and basic marlinspike seamanship under the guidance of the instructors.

Every year thousands of boating enthusiasts all over the United States attend the USPS boating courses presented by the 445 local squadrons of USPS, and they find the course is an enjoyable way of learning how to increase their boating pleasure in a safe and seamanlike way. Most USPS boating courses, including those of Mattapoisett Power Squadron, are taught by experienced sailors and power boaters who volunteer their time and efforts as a service to other boaters and prospective boaters.

Anyone wanting more information about the USPS Boating course may contact Walter Sawyer at 758-2769 or John Balonis at 947-0202.

is located at the end of the Angelica Beach community. This point of land is a favorite walking spot of many in Mattapoisett. There, one will see a beautiful example of our town's rich seaside heritage.

Hurricane Bob left the beach quite a mess. Yet, as we have found in our recent town cleanup, many hands can accomplish a great deal. We were able to collect tons of debris in short order with so much help. This will be the last organized Coastsweep project for this year. Individuals are encouraged to continue the clean-up as they walk throughout the winter months ahead. Why not take along a garbage bag next time you are out hiking with your fmaily and collect some of the remnants of Bob?

Students and seniors are asked to participate. Karen McQuillan is the contact person for teachers and students, and David Hewitt for seniors. More information can be obtained by calling Charles Duponte at 758-6508.

Your help is greatly appreciated. The work that has been on-going is making a difference. Plastics, house and boat debris will not break down and needs to be removed. With the continued help of the community we can return the Mattapoisett shoreline to its former beauty.

"Love Letters", writes about the plight and foibles of the American W.A.S.P. (white, Anglo-Saxon Protestants), a breed he feels deserves close scrutiny. As a full-fledged member of this once predominant ethnic fold, Gurney finds a rich lode of humor in the cracks of these staid, sturdy folk. Among his dramatic investigations is an insightful play called "The Perfect Party", and it is to be staged October 17th, 18th, 19th, 24th and 25th at the Marion Art Center at 8:00 p.m.

The five character cast includes Christopher LeBlanc as Tony, a middle-aged college professor who wants to chuck his comfortable life in order to become a consultant on giving the perfect party. Michelle Townsend plays his baffled wife, Sally, who's having lots of difficulty understanding her husband's apparent middle-aged crisis. Neighbors Wes and Wilma Wellman are played by Donn Tyler and Lili Gibson. They supply as much support to Tony's venture as neighbors ever could, despite their own particular problems.

Into the middle of the fray comes Lois, played by Jessica Shepardson, a society page writer for a 'Major New York Newspaper', invited to review this party. The ensuing complications are part slap-stick, part revelation and part Edward Albeeish absurdism, but sophisticated and funny adult entertainment. David Boyce directs.

So, leave the kids at home, and come and meet these five, moderately insecure people, as well as Tony's outrageous twin brother, Tod, who gives "outrageous" a very Freudian turn.

Mattapoisett Friends Meeting

ADDS 2nd SUNDAY SERVICE

The Mattapoisett Friends Meeting, Religious Society of Friends (Quaker) will have two services on Sundays beginning October 13th.

At 9:30 a.m. traditional Quaker unprogrammed services will be held. At 11 a.m. pastor-led services will be conducted, except for the first Sunday of each month when the service at that hour also will be unprogrammed.

In unprogrammed worship, as God speaks in the hearts of those earnestly seeking guidance, worshippers may share vocally their spiritual insights. In programmed worship, Friends may include corporate prayer, responsive reading, music, a prepared message and silence, under the guidance of a pastor.

The historic 1827 Mattapoisett meeting house is located at 103 Marion Road (Route 6). Friends extend a cordial invitation to all to attend.

From St. Anthony's Parish

MASS SCHEDULE: Saturday, 4:30 p.m.; Sunday, 8:00, 9:30, 11:00 a.m.; daily, 8:00 a.m.

CALLED BY NAME: All the parishes of the Fall River Diocese are participating in this program of vocation awareness that began last weekend. This program offers an opportunity for us to pray for vocations; to recognize gifts and potential for lead-

Messages of Thanks

The Mattapoisett Woman's Club would like to extend a special thank you to Chairman of the Board of Selectmen, John DeCosta, and Highway Supervisor, Wesley Bowman, for their exceptional cooperation in helping us by assembling and placing six benches in Shipyard Park in honor of our 50th Anniversary. Their efforts made our part of the job easy. They are both examples of what makes Mattapoisett truly special.

New Senior Golf Tournament

A new annual tournament was launched at Reservation Golf Club October 1st when 24 members teed off in an 18-hole Senior Pro-Am Best ball competition. Jim Bates' team, including Joe Nunes, John Maillet and Joe Desautels, captured first prize with a net score of 13 under par. John R. Sylvia, Jr., Bernie Roderick, Eddie Loughlin and Nap Demers finished second at nine under while third place went to the team of Jim Hinman, Mike DePierre, Bill Ochab and Leonard Randall at seven under par. Sylvia also won the longest drive contest and Lou Vaudry won the closest to the pin prize. The six foursomes topped off the day with a buffet dinner in the club's main dining room.

League of Women Voters

HEALTH MEETING

The Tri-Town League of Women Voters started its Health Care study September 25th with an informational meeting at the Marion Congregational Church Parish Hall. The speaker, Natalie Lafleur, visiting lecturer at the College of Nursing at the University of Massachusetts/Dartmouth, laid the foundation of the study by giving a lecture crammed full of background facts on the U.S. "health system" as it is today.

Actually, Ms. Lafleur began by saying that our National Health Care System is really "no system". After stating that no country in the world spends as much money on health care as the U.S. she quoted some revealing statistics on the U.S. and Canada. In the U.S. the per capita health care expenditure is $2,354, in Canada it is $1,683. Among the indicators of quality health care used by professionals are life expectancy and infant mortality. In the U.S. life expectancy is 75.3 years, in Canada it is 77.1 years. In the U.S. infant mortality is 10.4 deaths per 1,000 live births, in Canada it is 7.9. In addition, Ms. Lafleur stated that there are a minimum of 37 million uninsured individuals

in the United States and that 671 million dollars, 12.3% of the Gross National Product, goes to Health Care and the amount is growing at the rate of close to 20% per annum.

After an overview of the U.S. health care history since World War II, Ms. Lafleur gave six of the most important reasons for the huge cost increases;

1. Increased population, particularly the elderly.
2. Inflation.
3. Technology.
4. American Thinking: Everyone is entitled to the best of everything whatever the cost.
5. Malpractice Lawsuits.
6. Increase in the number of hospital beds.

Ms. Lafleur pointed out that there are many approaches to reforming the U.S. system and much study still needs to be done on other countries' systems and how the best approaches could be incorporated into the U.S. A single agreement appears to be on the importance of prevention. At the present moment more questions than patterns are emerging.

Is Health Care a right in the United States? Ms. Lafleur is emphatic that, in the present, it is not a right.

Ms. Lafleur ended by saying that much education is needed so that people can understand the problems and make informed judgments. Health Care will certainly be a major subject in the next election. She

Commendation from National Merit Scholarship Corporation (NMSC), which conducts the program, will be presented by the school to these outstanding seniors.

About 35,000 Commended Students throughout the nation are being honored for their outstanding performance on the 1990 Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test, which was the route of entry to the 1992 Merit Program. Commended Students have shown exceptional academic promise by placing among the top five percent of more than one million program entrants.

ORR Student Named Semifinalist

Michelle Escalante, who completed her junior year at ORR in June, has been named a semifinalist in the National Hispanic Scholar Awards Program. Ms. Escalante was notified by the College Board that she will be considered for a $1500 scholarship to be awarded by the Andrew W. Mellon Foundation in April 1992. Students were selected as semifinalists based on scores received on the PSAT's given last fall.

This year Ms. Escalante is a participant in The Clarkson School Bridging Year Program. The Clarkson School is a part of Clarkson University in Potsdam, New York. Bridging Year is a special program for academically talented high school seniors. Students selected for the program take a full schedule of courses at Clarkson University in addition to a time-management course, study skills, and field trips. Upon successful completion of the Bridging Year, Ms. Escalante may enter Clarkson as a sophomore or apply elsewhere as a sophomore. Last summer Ms. Escalante earned six college credits as a participant in George Washington University's Summer Scholars Program.

Veterans' Update

VA DROPS HOME LOAN INTEREST RATE

In response to current market conditions, the Department of Veterans Affairs (VA) has reduced its maximum home loan interest rate from 9 percent to 8½ percent, effective September 18th.

This change marks a continuation of credit market conditions which caused a lowering of the VA rate from 9½ percent to 9 percent on August 12th.

The reduction takes the VA rate to its lowest since April 1987, and continues the downward trend which has prevailed over the past ten months. The decline from a 10 percent high in November 1990 means that the monthly payment on a typical VA loan of $84,500 has decreased by $92.10 from $741.91 to $649.81, a potential borrower savings of more than $33,000 over the life of a 30-year loan.

Also effective September 18th, VA will decrease by one-half percentage point the maximum rates for Graduated Payment Mortgages to 8.75 percent, home improvement loans to 10 percent, manufactured home loans to 11 percent, manufactured home lot-only loans to 10½ percent, and manufactured home and lot loans to 10½ percent.

In the first ten months of Fiscal Year 1991 VA has guaranteed more than 145,500 home loans amounting to a total of more than $12.3 billion.

VA home loans may be used by qualified

More Time for Wetlands?

LETTER TO THE EDITOR

We urge every citizen worried about our vanishing wetlands to take an immediate step toward their protection. Write a note or card TODAY to the EPA urging the extension of the public comment period on the Federal Wetlands Manual that proposed changes in what a wetland is. Ask that the date be moved one month, to November 15, or even better, to August 15, 1991.

Write to: Gregory Peck, Chief, Wetlands & Aquatic Resources, Mail Code A-104F, U.S. Environmental Protection Agency, 401 M Street, SW, Washington, DC 20460.

The public has not had time to be fully informed and to take action since the comment period began in August; hence the need for an extension. Coastal and inland wetlands are extremely valuable resources for this region and the whole nation. Already 53% of the wetlands in the lower 48 states have disappeared. The changes proposed would open up millions of acres now protected to development.

The nation's earlier lack of understanding of how important wetlands are, economically and environmentally, has given way to

DECISIONS ANNOUNCED

A special permit was granted to Kiriaskos and Michelle Rentumis of Rochester, owners of Nick's Pizza at 27 County Road (Route 6) to expand the kitchen area in the restaurant. It was noted in a plan filed with the application for a determination that there are specific and material changes from the application filed last year to expand the restaurant's kitchen and dining area.

A one-story, wood frame structure does not meet the current General Business District required setbacks of 65 feet from the street, 30 feet from the rear, or 20 feet from the easterly sideline. The structure was, however, in existence at the time of the adoption of the zoning by-law in 1967 and is therefore a lawfully non-conforming

structure.

The proposed addition to the irregularly shaped building is to "square" it off. No one appeared in opposition to the application. A letter from Sandra Dawson, an abutter, stated her concerns and a letter from Robert Trahan expressed his opposition to the application. A parking plan showed cars exiting to the back side or north of the building and Upland Way.

The proposed kitchen expansion will not increase the seating capacity of the restaurant and will not increase the traffice congestion along Route 6. The proposal will not be substantially more detrimental than the existing nonconforming structure to the neighborhood.

The permit is subject to certain conditions: the dumpster located on the northwest side of the property be screened on all four sides by a six foot stockade fence; that the north side of the property be screened naturally with arborvitae placed close together on the applicants' property or an acceptable fence be erected; seating on the existing concrete patio consists of no more than four picnic tables that seat six persons each; the interior seating capacity remain at the current capacity of 34 people and that trash receptacles be placed around the property and that the parking and traffic flow pattern comply with lot plans.

A second application was denied for a variance. Anette C. Dion of North Attleboro proposed to construct a 20 foot by 28 foot, two-story gambrel garage at 17 Beach Road in a location that violates the minimum street and side setback requirements of the zoning by-law. The applicant also sought a variance from use to utilize the second floor of the garage as a bunkhouse which is not a permitted use.

SYMPOSIUM ON CHILDREN
CHILDREN'S ADVOCATE TO SPEAK

"Too many of today's children and adolescents will reach adulthood unhealthy, illiterate, unemployable, lacking moral direction and a vision of a secure future. This is a personal tragedy for the young people involved and a staggering loss for the nation as a whole. We must begin today to place children and their families at the top of the national agenda." mission of Children.

How does this impact the taxpayers of southeastern Massachusetts? To learn more about this important issue of the '90s, join New Bedford Child and Family Service, and the United Way of Greater New Bedford at the second annual symposium on children. This year's featured speaker is Nancy Amidei, nationally known children's advocate. The timely topic should be of interest to every business person, professional and parent in the country since the children of the 90s will be the taxpayers and consumers of the next generation.

Ms. Amidei is a Belle Spafford professor at the University of Utah, nationally known author, lecturer, and frequent guest on the MacNeil-Lehrer Reports, Crossfire, Good Morning America and the Today Show.

Sponsored by New Bedford Child and Family Service and United Way of Greater New Bedford, this symposium will be held October 18th at the Seaport Inn, Fairhaven at 12:00 noon; $15.00 including lunch. For reservations call 996-8572.

Parenting Children Workshops

New Bedford Child and Family Service is sponsoring an educational series of six workshops focusing on parenting children, ages birth to 5 years. Beginning on October 16th and ending on November 20th, parents will meet on Wednesdays from 7 to 8:30 p.m. at the Seaport Inn, Fairhaven.

Topics include Child Growth and Development, Positive Approaches to Disciplining, Enhancing Self-esteem in the Young Child, Sibling Rivalry and more. Parents will have opportunities to share their experiences as well as to learn more positive techniques

CONSERVATION NEEDS

TOPIC OF LECTURE AT HERITAGE

Heritage Plantation will offer a slide lecture program by Richard H. Ressmeyer entitled "Intermuseum Laboratory - Conservation Solutions" on Friday, October 11th, at 2:00 p.m. in the theatre of the Round Barn.

Mr. Ressmeyer, Director of the Intermuseum Laboratory in Oberlin, Ohio, was the former Assistant Director of Heritage Plantation. His lecture will focus on the care and conservation of paintings and works on paper. Mr. Ressmeyer will illustrate his talk with a slide presentation showing the types of objects, methods, materials and techniques of conservation.

The Intermuseum Laboratory provides member museums and historical institutions and private collectors in the northeast and midwest with conservation services and advice. Established in 1951, it was designed by its founding members to meet the conservation needs of museums unable to maintain individual conservation departments. During its thirty-eight years this cooperative center has served over 500 art and historical collections belonging to members

AT ROTCH-JONES-DUFF HOUSE

Poetry at the Rotch-Jones-Duff House and Garden Museum will resume this fall with a reading series scheduled for Sunday afternoons.

"Our summer series, 'Poetry in the Garden', was so successful that we felt we would like to continue to make space available to poets in this area", said Museum Director Anne B. Brengle.

This past summer over 300 people participated in five open poetry readings held on the grounds of the historic mansion at 396 County Street in New Bedford.

"It was especially gratifying to us here at the Museum and to Lewis Hammond Stone (who organized the readings) to see the overwhelming response to this", said Mrs. Brengle. Mr.Stone, a local poet and freelance writer, will again serve as moderator for the upcoming Fall series.

The readings will take place on October 13th, October 27th, and November 10th from three o'clock until five in the double parlors of the Museum. Seating is limited to 50 people. A $3.00 donation is suggested.

There will be featured readers for the

Boat Tour to Cuttyhunk

The Massachusetts Audubon Society in East Falmouth will sponsor a day-long excursion to Cuttyhunk and the Elizabeth Islands. Passengers will board the vessel Patriot Too beginning and ending at Falmouth Harbor on Monday, October 14th, from 9 a.m. to 5 p.m.

Participants will cruise along the rocky coastline of the Elizabeth Islands, and spend three and a half hours on Cuttyhunk on guided walks. Walk choices are: a long hike out to the Gosnold Monument, a medium length walk, and a shorter more leisurely walk around the harbor and village, and up to lookout hill to enjoy one of the most spectacular views in New England. Participants may bring a picnic lunch or eat at the Allen House restaurant.

Commentary will focus on history, geology,

Shorebirds of Barney's Joy

On October 13th the Lloyd Center will be conducting a trip to Barney's Joy to view shorebirds. Don't miss what is sure to be an eventful trip. Barney's Joy is a privately owned beach that is not open to the public, so chances to view this beautiful area are uncommon. Join Leader John Macedo in looking for birds such as dunlins, sandlings, snowy and great egrets, great blue herons, northern harriers, and yellowlegs.

The fee for this trip is $3.00 for members, $5.00 for non-members and children under twelve are $1.00. Please pre-register by calling the Lloyd Center at 990-0505.

Other upcoming Lloyd Center events include a Canoe Trip on the Slocum River on October 19th and an exploration of pine barrens on October 20th. For more information on these or any other Lloyd Center events call 990-0505.

1991-1992 Zeiterion Concert Series

The 1991-92 Greater New Bedford Concert Series (GNBCS) opens with the world-renowned Irish flutist James Galway on Tuesday, October 15th, at 8:00 p.m. Mr. Galway, accompanied by pianist Phillip Moll, will perform the following pieces at the Zeiterion Theatre: Mozart's "Sonata in F major for Violin and Piano, K. 376" (arr. for flute by James Galway), Hindemith's "Sonata for Flute and Piano", Liebermann's "Sonata for Flute and Piano", Enesco's "Cantabile e presto", Roussel's "Joueurs de flute, Op. 27", Debussy's "Prelude a l'apres-midi d'un faune" and Doppler's "Fantaisie

Pastorale Hongroise, Ip. 26".

Mr. Galway's performance is the first of four in the Greater New Bedford Concert Series. This year's series also includes violinist Elmar Oliveira, the first American to win the coveted Tchaikovsky Competition, on February 13, 1991, and Rudolf Firkusny, acclaimed as one of the premier keyboard artists of our time on May 2nd. The series is also offering a special selection - the Verdi opera "La Traviata", performed in English by the Western Opera Theatre, on November 26th.

James Galway is regarded as both a supreme interpreter of the classical flute repertoire and a consummate entertainer whose appeal crosses all musical boundaries. His playing, his lively sense of humor and his ebullient character have become familiar to a vast audience through his extensive international touring.

Born in Belfast, Ireland, Mr. Galway began playing the pennywhistle as a small child and graduated to the flute soon after. Following his studies at the Royal College of Music in London, London's Guildhall School and the Paris Conservatory, he launched his career as a member of several major orchestras in England culminating in his appointment as Principal Flutist with the Berlin Philharmonic. In 1975 after six years with that illustrious ensemble, Mr. Galway set out on his own in a solo career. Within a year he had recorded his first four RCA LPs, played more than 120 concerts and appeared as a concerto soloist with the four major orchestras in London.

Tickets for James Galway's concert are $31.00, $35.00 and $39.00; senior/student $2. discount; group rates available. Subscription for the three concerts are $50.50, $60.00 and $70.00, and the special selection, "La Traviata", purchased with the subscription is $16.50, $20.50 and $24.50. Old Colony

SPECIAL NEEDS ADVISORY COUNCIL

Reorganization is underway for Special Needs Parents Advisory Council at Old Colony Regional Vocational-Technical High School.

The Council plays an active part in determining the school's Annual Program Plan in Special Education and acts in an advisory capacity through scheduled meetings held at the school.

Parents of Special Needs students who attend Old Colony are encouraged to become part of the Council. More information may be obtained by contacting Mrs. Pat Foskett, Special Needs Coordinator, or Mr. Gary Brown, Assistant Superintendent-Director, at 763-8011.

COSMETOLOGY DEPARTMENT

The Cosmetology Department of Old Colony Regional Vocational-Technical High School in Rochester welcomes community residents to use the services provided by that department.

Hairdressing and related beauty services are offered to the public during the school day for a minimal fee. Appointments are required and may be made by calling the school at 763-8011.

The department also plans to hold a Hair Fair on two weekend dates in November and December. Monies raised by these special events will be used to fund a spring conference in New York where seniors will update their techniques and learn the latest styles.

APPLIED ECONOMICS

Applied Economics will bring added relevancy to senior classrooms at Old Colony Regional Vocational-Technical High School again this year.

Under a unique program developed by Junior Achievement and sponsored by Commonwealth Electric, a consultant and additional textbooks and supplies will enhance the learning opportunity. Students will experience the hands-on process of developing and operating their own business.

Last year's program resulted in the manufacture and sales of Old Colony sun glasses.

The project, including a weekly conference with the consultant, is set to get underway this fall.

ENRICHMENT PROGRAM FOR 6th GRADERS

October 15th will begin Old Colony Regional Vocational-Technical High School's after school enrichment program for sixth grade students. The program, in its third year of operation, is designed for students who are eligible to attend Old Colony in grades nine through twelve. The first group will include youngsters from the Governor John Carver Elementary School in Carver.

The youngsters, bused to Old Colony immediately following dismissal from their

own schools, select three shops which they explore for two weeks each. "Hands-on" activities, directed by Old Colony staff, provide the youngsters the opportunity to experience vocational-technical training and to explore new career possibilities.

Daily snacks and the awarding of certificates add to the student's enjoyment of the program. There is no cost for either program or transportation for the individuals who participate.

Similar opportunities are made available to youngsters in Acushnet, Mattapoisett and Rochester later in the year.

Mr. Bruce Ashworth, a member of the OC Welding and Metal Fabrication Department, heads the activity. He is available to answer questions concerning this opportunity by phoning 763-8011 during school hours.

RECEIVES IN-SERVICE GRANT

Old Colony Regional Vocational-Technical High School has received a Commonwealth In-Service grant to host a series of six evening programs designed to inform and involve parents and other community members in issues facing today's student.

Parents as Partners will get underway on October 17th when Susan Yousif, RN of the Greater New Bedford Community Health Center, will discuss Teen Sex: Facts and Fallacies.

In November Parents as Partners will focus on teens and drugs through a program presented by PAACA (Positive Action Against Chemical Addiction).

Decision-making, Teen Depression, Crisis and Suicide, Parenting and the work world will be topics of spring meetings.

Program are scheduled from 6:30 to 8:30 and will include a presentation and time for questions and discussion. All Parents as Partners sessions are free and open to anyone residing in the Old Colony region. Parents are particularly encouraged to attend. Refreshments will be served.

Ham and Bean Supper

The Wesley United Methodist Church, 462 Main Street, Wareham will be sponsoring its monthly public Ham and Bean Supper on Saturday, October 19th, at 5:30 p.m. Donation is $5.00 for adults and $2.50 for children.

Fall Wreath Classes

Mass. Audubon's Ashumet Holly and Wildlife Sanctuary in East Falmouth will offer a series of classes in holiday wreath making. On Wednesday, October 16th, at 10 a.m., Ginger Stimets of Osterville will teach a class in Shell Wreaths. Participants may bring their favorite shells to craft them into a handsome wreath.

Pine Cone Wreaths will be taught by Charlotte R. Neves of Osterville on Wednesday, October 23rd, at 10 a.m. Pine cone wreaths have always been a traditional Christmas decoration and Ashumet has tons of cones this year.

Cape Cod Wreaths will be taught by Cyndy A. Bush of Bourne on Saturday, November 16th, at 10 a.m. Cape Cod Wreaths are made from greens native to this area -- pine, holly, boxwood, bayberry and many other plant materials from the Ashumet grounds will be used.

Call 563-6390 for information on fees and registration. Class size is limited and preregistration is required. Ashumet is located off of Route 151 and Currier Road in East Falmouth.
